## Rosé of Cabernet Sauvignon

Production:	89 cases
Appellation:	Willamette Valley, Oregon
Alcohol:	13%
T.A.:	6.3 grams per liter
pH:	3.41
R.S.:	0.36%

### Rosé of Cabernet Sauvignon:

A powerful bright Rosé made of 100% Willamette Valley Cabernet Sauvignon from 20 year old vines from Hoot & Howl Vineyard in Philomath, Oregon. The flavors of citrus roll into hint of wild strawberry this wine is full of life and great delicate textures on the palate.

### Winemaking:

90% of the Cabernet fruit went directly in the wine press. The other 10% was saignée and left with skin contact overnight. The wine was fermented in stainless steel tank under temperature control to retain fruit flavor.

### 2017 Growing Season:

A cool growing season. The wet, cool spring delayed flowering for the region's vines until late June, setting the stage for a later harvest. Warm, dry conditions prevailed through the summer with a higher than average fruit set.
